* For 2" Super Duty Double, with addition of two Add-Ons (sold separately), this rack can hold a maximum of four bikes when all bikes are 50 lbs or less. If any bike weighs 51 lbs–75 lbs, only one Add-On may be used. 2" Super Duty Double is rated to hold up to 75 lbs per bike spot.

** All models use the same Add-On except Equip'D models.

*** Requires Fat Tire Spacer Kit or Fat Bike Basket Kit. See products for details.

**** Add up to one XD Add-On to carry an additional bike (up to 120 lbs). Add a Quik Rack Add-On in spot 2 or 3; weight rating equals rating of specific Add-On. Total carry capacity with all Add-Ons (2 max) of up to 345 lb (150 lbs first bike spot max).
